FORMULA DRIFT R2 ROAD ATLANTA RESULTS

Retaks Racing driver **Ryan Tuerck beats 2011 FormulaD Champion Dai Yoshihara into the top 16.** Ryan finished the race weekend **6th overall in points** (of 60). Some 20K+ fans attended & 32+ media brands covered the race.

After beating Dai & advancing into the Top 16 we were up against the current points leader Justin Pawlak to advance into the Great 8. "This weekend went great. I'm starting to really get comfortable in the new Retaks car, the team is working well together, and the Maxxis tires are getting us closer to that podium spot. I can't wait for Palm Beach!" - *Ryan Tuerck*

Stance Works Magazine wrote a fantastic article on Ryan, with amazing pictures of our car! [Read the full article here](#). And Michael Essa won the **Retaks Insane Entry Award!**
