FORMULA DRIFT R1 LONG BEACH, CA RESULTS

Retaks Racing driver **Ryan Tuerck qualifies in 1st Place** with a career high score of 97 points! Watch video here: [Ryan Tuerck Qualifying Run Video](#) Ryan finished the race weekend **5th overall in points** (of 60). A fantastic way to start the 2012 season! Some 10K+ fans attended & 32+ media brands covered the race.

This is the very first race of the season and the first race for Ryan in our LS powered S13.5. Retaks Racing, along with help from Ryan, worked very hard to install all the upgrades to the car to suit Ryan's driving style. The Retaks Racing program went through a huge upgrade this year to give Ryan the very best race car possible. This, of course, was made possible, with the continued commitment and support from our current and new sponsors. **Retaks Lifestyle Backpacks** family would like thank you for making this a tremendous success!

Special thanks to the crew at Long Beach: Koji, Bobby, Troy, Justin, Evan, Kyle, John, & our very own Umbrella Girl Gabriella.
